KATE HATTON

People from St Elizabeth's and Holy Trinity went to Sheffield Cathedral to support Kate as she was commissioned as a Church Army Officer after 3 years of training. At that time she had no post to take up and it was a matter of considerable prayer. However, we have a God who answers prayer and this is what Kate writes: *I am thrilled to announce I will shortly be starting as Youth and Children's Evangelist in Wellington, Shropshire. This post will be part-funded by All Saints Church, who are really keen to develop contacts with local schools, primary and secondary, and set up new Christian communities amongst the children, their families and teachers, as well as helping grow and disciple the many young people and volunteer leaders in church. My line manager will be Revd. Mark Ireland, previous Lichfield Diocesan Missioner, who has published several books on Church Mission and Evangelism so it should be a place where I can learn lots and apply and stretch my existing and newly-acquired skills. I would value your prayers at this exciting time of change for the whole family – a) for my new post; b) new job for Tim, wherever that may be; c) new school for Wilfred as he starts his GCSE's; d) new friends and good health and hospital care for Millie; e) for Godfrey as he makes the transition to university; and f) for Gerald as he explores his future career and adjusts to his family moving to yet another part of the country.*

ENQUIRERS DAY - MIDDLEBROOK CHAPLAINCY

The Middlebrook Chaplaincy is encouraging people to think about joining the team. No qualifications needed, lots of support provided, training given and a very friendly team to work with! If you think you would like to be part of this why not come along to an Enquirers Session on **Thursday 17th September 2009, 2.30 pm or 7.30 pm at The Middlebrook Management Suite (next to Game)**. For further details see the poster at the back of church or speak to Peter Harley for an information sheet. If there are enough people interested sessions will run for a core 6 weeks from 1st October.

MANCHESTER DIOCESAN HEALING DAY

Healing Ministry events within the Diocese and Archdeaconry are becoming more regular and with the appointment of 3 Healing Advisors (in 2002) and now a Hospital and Hospice Healing Advisor (in 2009), which shows the importance the Bishops place on this work. They all feel the healing ministry has been misrepresented over the years and wish to redress the balance by finding time for prayer and meditation to consider what the healing ministry is all about. The next event is being held at St Nicholas, Burnage on Saturday 17th October 2009, 9.30 am - 4.00 pm with members from the Iona Community using their resources. There will be an introductory address followed by various groups and workshops to learn and experience Healing worship for ourselves. Registration fee is £10 and booking is required as there are limited spaces available. See the leaflet at the back of church or speak to Peter Harley.

SCARGILL PROGRESS

The target for Scargill House to re-open fully is late Summer 2010, though there may be opportunities for 'guinea pigs' to go before that! Please see Jill if possibly interested! The advertisement for a Director/Warden for Scargill House has now gone into the church press, so please pray for a positive response. If you would like to keep up to date with their progress, their new web site is up and running - www.scargillmovement.org
