

SERVICE CHANGES FROM SEPTEMBER

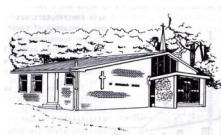

As many of you will be aware and know from reading the recently distributed leaflet 'Building Together for the Future', we need to begin to simplify or share some of our activities in order to be more focussed towards our longer term goals.

As agreed by our Team Clergy and PCC's, from September, we will be having a single Wednesday morning Communion service within the team and a single Sunday evening service. These will take place alternately between Holy Trinity Church and St Elizabeth's Church and advertised as widely as possible to ensure everyone knows where they should be on which day. Transport will be organised to assist members from each congregation to travel to the other Church as necessary.

All the Wednesday morning services will now be at 9.30 am whichever Church they are in.

All the Sunday evening services will now be at 6.30 pm whichever Church they are in.

To try and help you to remember which week is which, the services have been standardised as far as possible, in that both the Wednesday Communion and the Sunday evening service will be at St Elizabeth's on the first & third dates in the month and at Holy Trinity on the second and fourth dates.

On the occasions when there is a 5th Wednesday in the month (up to 4 times a year), Communion will take place in both Holy Trinity and St Elizabeth's at 9.30 am.

On the occasions when there is a 5th Sunday, (also 4 times a year), the evening service will vary depending on the season. Notice will be given in all Churches prior to the event. For example, on 30th October, the Annual Memorial Service will be held at Holy Trinity at 6.30 pm.
